NEWCOMER MEETINGS

Newcomer meetings are special OA meetings held prior to a regular OA meeting, where newcomers to Overeaters Anonymous may listen, talk and ask questions. Newcomer meetings are open to all, newcomers and old-timers alike. You are always welcome! Newcomer meetings are shown shaded in the schedule. Check one out!

OUR INVITATION TO YOU

We of Overeaters Anonymous have made a discovery. At the very first meeting we attended, we learned that we were in the clutches of a dangerous illness, and that willpower, emotional health, and self-confidence, which some of us had once possessed, were no defense against it. If you decide you are one of us, we welcome you with open arms. Whatever your circumstances, we offer you the gift of acceptance. You are not alone any more. Welcome to Overeaters Anonymous. Welcome home!

OA HOTLINE

The following members are not counselors. They are members of our fellowship who are willing to take your call when you need to talk. If you get no answer, try another number. Please observe times!

MEETING SCHEDULE

JULY - AUGUST - SEPTEMBER 2018

Overeaters Anonymous is a fellowship of individuals who, through shared experience, strength, and hope, are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. OA is not affiliated with any public or private organization, political movement, ideology, or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive eating and to carry the message of recovery through the Twelve Steps of OA to those who still suffer.

THE TWELVE STEPS

1. We admitted we were powerless over food—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to compulsive overeaters, and to practice these principles in all our affairs.

SERENITY PRAYER

God, grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.
